## **FROM EDITOR'S DESK...**

The outbreak of the coronavirus disease 2019

(COVID-19) created a global health crisis

that had a deep impact on our day to day life.

We all faced many hardships, disruptions, and

uncertainty during this period. The world faced multiple challenges due to the pandemic like lockdowns, restrictions on trip making, and the closure of schools and businesses. In spite of all this we all arose with a new positive attitude. Every individual faced different experiences, so this issue is published with the title 'India's response to Covid-19' as the theme. The young minds of our college have very well compiled articles and poems on the topic.

I am grateful to the Management, Principal and all the Teaching, non-teaching staff and the students of the college for their continuous support.

A special thanks to Mr. Atharva Barve for his tireless help and support.

## **MESSAGE FROM OFFICIATING PRINCIPAL**

Manghanmal Udharam College of Commerce, the first English medium college of commerce in PCMC, is now an established brand. The overwhelming Response by students seeking admission to its

undergraduate & post graduate courses in commerce, bears ample testimony.

The vision of this 38 year old institution is to extend quality commerce education through character building and developing employable skills in alignment with the requirements of the corporate world. The thrust is also on nurturing entrepreneurial capabilities in keeping with the culture of innovation and risk taking capabilities, so demanded today. In order to achieve the same, our trained and research oriented faculty members, regularly organize inter collegiate and intra collegiate competitions, seminars, conferences, expert guest lectures, short term courses and varied sports activities. We continuously strive to leverage our students' learning and skills by adopting innovating practices. No wonder, our students have won laurels in academic, sports and extra-curricular activities .

## **Annual Report 2020-2021**

I feel privileged to present before you Annual Report of the college activities for the Academic Year 2020-2021 briefly.

- The academic year started during the pandemic right in time and we could start teaching to second & third year students from the first day of the session because all the students were promoted to the next level and admission process was complete till then.
- The University granted us approval for starting BA. The government approval is awaited. We also received approval from National Skill Qualifications Framework, UGC for starting B.Voc in Retail management (three years integrated degree course) and short term certificate courses in fields of Banking and Finance, Direct Tax Laws, Data Analysis and Interpretation and Classical Music. The Courses will be started next year.
- The college conducted 2 national level seminars online:
  1. A Two day National webinar on 'Role of NSS: COVID 19 Crisis and Post Pandemic Action Plan' was organized on 02 & 03 June 2020. 5 speakers were invited and 98 NSS program officers and other faculty attended the webinar. The coordinator was the NSS team under the guidance of the NSS Program Officer Dr. Leena Modi.
  2. A One day National Webinar on "Mutual Fund – Insights" was organized on 16 August 2020 in collaboration with National Institute of Securities Market, Mumbai'. 4 speakers were invited and 289 participants attended the webinar. It was coordinated by Department of Economics and Banking under the guidance of Mr. Azhar Khan.
- The college conducted 4 Workshops for the students :
  1. A 15 session workshop on Image Branding for S.Y.B.Com. & B.B.A. students.
  2. A 12 session workshop on Google Tools in which 53 students participated.
  3. A one day session on Budget in which 75 students participated.
  4. A one day workshop on Financial Literacy along with Symbiosis college for B.B.A. Students.
- Apart from regular teaching, our teachers conducted 11 short term courses for which they designed syllabus, conducted 15 sessions for each course, and coordinated 5 short term courses wherein the resource persons were invited from specialized domains.
- 13 credit courses were conducted for the students which were made a compulsory part of the syllabus by the university. For 9 courses, the resource persons were invited from specialized domains.
- 7 career counseling sessions were held covering almost all the aspects of commerce stream including one on civil services. Online interviews were conducted by some of the companies and some students were placed.
- 9 guest lectures and a week-long workshop was conducted by our alumni. They also purchased 2 oxygen concentrators by raising donations amongst themselves & the Management and donated the same to the institute to help the needy. Many of them have been constantly working for arrangements of

plasma, providing hospital beds to covid patients and thus helping them during the pandemic.

- Our teachers published 10 books, 8 research papers, attended 14 workshops, 29 faculty development programs, 52 webinars and 6 teachers were invited as resource persons by other universities and colleges. 1 teacher completed a minor research project and post graduate certificate in teaching. 3 junior clerks also attended workshops.
- 30 widows & poor women received financial assistance worth more than a lac and 10 students received Scholarship from Indusind Foundation through the efforts of our college. 20 students received scholarship worth a lac from Jai Hind Trust.
- This report cannot be complete without mentioning the names of our students who brought us laurels.
  1. Ms. Chaudhary Santosh (2019 batch) received 2 gold medals & 4 prizes for securing highest marks in Advance Accountancy sponsored by various agencies.
  2. Ms. Archana Hegde (2019 batch) is awarded The Shri Paramhans Yoganand Prize for securing highest marks and standing Third amongst all the successful candidates & passed the B. Com Examination in First Class with distinction.

By the end of the academic year the pandemic hit some of the staff members. Most of them could defeat the virus while we lost Dr. Geetha Sivaraman on 9<sup>th</sup> June and Senior Clerk Mr. Amit Kachare lost his wife who was only 34. Some more staff members lost the senior members of their family. We all were deeply grieved and held condolence meet for all of them.

I thank the all the members of the management for their timely guidance, support and co-operation. I thank all my colleagues, teaching and Non-teaching staff, students and parents for their whole hearted support and co-operation.

#### *Mental and Emotional Well Being: The Need of Time*

**Ms. Sakshi Barnat**

**F.Y.B.B.A.**

There's no special reason for this greeting, but it's just a "hii" from me to wish you a day full of joy... :) but my question of concern for you is. How are you all? How are you all doing in the lockdown? And now i seriously hope that the answers aren't negative... ;) nowadays, as we all are in a drastic situation due to the pandemic, each one of us is suffering through the stress and fear of corona virus. We all know, how the patients are suffering the pain, and want to live life as they used to live before. Nowadays, as we know, the atmosphere around us is negative and stressful. The whole world, thus is experiencing it to the extreme. But friends, "it's during the darkest time we must focus to see light", isn't it? Let's train our mind to see the good in every situation; even though the good things are limited nowadays. We all are worried about our physical health, right? But, do we even know how our mental Health is affected due to the situation? Wait. Do we even know what mental health is? "Mental health means the absence of mental illness, i.e., it includes and affects the way we think, feel and act. Remember, "action describes the mental health of the person." We all need our physical health to be fit and fine away from diseases. But, do we even know how mental health if disturbed, can affect us? Today we need to think and understand about it. Remember, "Mental health is not a destination but a process. its how you drive, not where you go". In present situation, we are locked into the four walls of our house. No physical movements outside, no hangouts, no drives, no meetings and so, we feel like "a prisoner locked in a four walled jail." We then start feeling sad and bad about it. Right? We get stressed out for every small reason and then, there comes emotions; emotional behavior into the picture. We then start feeling low, sad, depressed and irritated. Here, i must tell you, "All your feelings are valid".

The most hurtful part here is where we do not share what we feel. We feel stupid to share our emotions and feelings and silently start digging the sorrows, sown deep within ourselves. But, as it is said, "unexpected feelings and emotions never die. They are burried alive and come forth later in uglier ways." so, friends, whatever situation knows your door, "help

Yourself." Speak what you feel, because it makes one feel lighter. There are situations in life, where "if you won't help yourself, no one can help you."

Always remember, "life is like a coin having two sides; sorrow and joy." There are ups and downs to face in life and "it's okay to be not okay." In this pandemic situation, "stay motivated, stay spiritual." Do not forget!!! Almighty knows everything and is always with us in every situation. "trust him, his timing and thank him for the day you see." to keep a balance in physical and mental health is the need of this time. It's upto you today, to start making healthy choices. Not only the ones that are healthy for your body, but "healthy for your mind." friends, it's my humble request to you all, "please help yourself to be healthy; physically emotionally and mentally, because this is a need of time." be motivated and full of energy, with positive thoughts and negative covid reports ;)

Remember:

Your mental health is a priority,

Your happiness is essential,

Your self care is a necessity.

Stay home stay safe!!

Enjoy this hazardous situation with love, health and peace.

## *Positive Impression of COVID-19 Lockdown*

**Ms. Nutan Singh**

**F.Y.B.B.A.**

Everyone has been in lockdown for over a month. Many of us are bored, miss our daily routines, and frustrated about staying indoors all the time. But what we don't seem to have realized is that there is a plus side to being in lockdown. The first and obvious reason is that we are helping to flatten the curve by safeguarding ourselves from Coronavirus.

Here is how being in Lockdown had a Positive Impact

### **1. We were Getting Sufficient Sleep:**

When we don't have to commute long distances to get to work or have to get the kids ready for school on time, we can get a little more sleep. Even an extra hour of sleep could mean seven hours instead of six, which makes a big difference to our health.

### **2. Air Quality:**

There was lesser travelling done by people, whether it is by their own cars, or by trains and flights. Even industries were closed down and not allowed to function. This in turn led to the pollution in the air dropping significantly, as there was a marked decline in nitrous oxide emission.

### **3. Effect on Wildlife:**

Animals have been spotted moving about freely where once they would not dare to go. Even sea turtles have been spotted returning to areas they once avoided to lay their eggs, all due to the lack of human interference.

### **4. Effect on Vegetation:**

Plants are growing better because there is cleaner air and water, and because yet again there is no human interference. With everything at a standstill, plants are allowed to thrive and grow and produce more coverage and oxygen.

### **5. Cleaner air and increased visibility:**

Cleaner air has perhaps been the single greatest positive effect of the lockdowns on the environment. Citizens in Northern India are seeing the view of the Himalayan mountain range for the first time in their lives, due to the drop in air pollution caused by the country's coronavirus lockdown.

### **6. Clearer water:**

In Venice, famous for its winding canals, water quality appears to have improved amid Italy's stringent coronavirus lockdown. Residents in the city have said the waterways are benefiting from the lack of usual boat traffic brought on by the hoards of tourists who visit each year.

## *Role of Social Media in student's life*

**Ms. Disha Tejwani**  
**F.Y.M.Com.**

The digital age has led to the increase of **Social Media** among people. With the Quarantine time, social media has gained traction among all the people including students. However, some people still believe that social media is always considered to be a deteriorating tool in academics. While social media is here to stay, instead of criticizing, it is better that we learn to take the better part of it and learn how to make an opportunity out of it.

Like everything around, social media has its set of perks and shortcomings. While on the one place it is a source of distractions for students, it is also a quick way of interaction, learning, and solving problems.

# शिक्षा का महत्व

**Ms. Sanjana Yadav**  
**S.Y.B.B.A.**

जीवन में सफलता प्राप्त करने और कुछ अलग करने के लिए शिक्षा सभी के लिए एक बहुत महत्वपूर्ण साधन है। यह हमें जीवन के कठिन समय में चुनौतियों से सामना करने में सहायता करता है।

पूरी शिक्षण प्रक्रिया के दौरान प्राप्त किया गया ज्ञान हम सभी और प्रत्येक व्यक्ति को अपने जीवन के प्रति आत्मनिर्भर बनाता है। यह जीवन में बेहतर संभावनाओं को प्राप्त करने के अवसरों के लिए विभिन्न दरवाजे खोलती है जिससे कैरियर के विकास को बढ़ावा मिले। ग्रामीण क्षेत्र में शिक्षा के महत्व को बढ़ावा देने के लिए सरकार द्वारा बहुत से जागरूकता अभियान चलाए जा रहे हैं। यह समाज में सभी व्यक्तियों में समानता की भावना लाती है और देश के विकास और वृद्धि को भी बढ़ावा देती है। आज के समाज में शिक्षा का महत्व काफी बढ़ चुका है। शिक्षा के उपयोग तो अनेक हैं परंतु उसे नई दिशा देने की आवश्यकता है। शिक्षा इस प्रकार की होनी चाहिए कि एक व्यक्ति अपने परिवेश से परिचित हो सके। शिक्षा हम सभी के उज्वल भविष्य के लिए एक बहुत ही आवश्यक साधन है। हम अपने जीवन में शिक्षा के इस साधन का उपयोग करके कुछ भी अच्छा प्राप्त कर सकते हैं। शिक्षा का उच्च स्तर लोगों की सामाजिक और पारिवारिक सम्मान तथा एक अलग पहचान बनाने में मदद करता है। शिक्षा का समय सभी के लिए सामाजिक और व्यक्तिगत रूप से बहुत महत्वपूर्ण समय होता है, यहीं कारण है कि हमें शिक्षा हमारे जीवन में इतना महत्व रखती है।

शिक्षा स्त्री और पुरुषों दोनों के लिए समान रूप से आवश्यक है, क्योंकि स्वास्थ्य और शिक्षित समाज का निर्माण दोनों द्वारा मिलकर ही किया जाता है। यह उज्वल भविष्य के लिए आवश्यक यंत्र होने के साथ ही देश के विकास और प्रगति में भी बहुत महत्वपूर्ण भूमिका निभाती है। इस तरह, उपयुक्त शिक्षा दोनों के उज्वल भविष्य का निर्माण करती है। वो केवल शिक्षित नेता ही होते हैं, जो एक राष्ट्र का निर्माण करके, इसे सफलता और प्रगति के रास्ते की ओर ले जाते हैं। शिक्षा जहाँ तक संभव होता है उस सीमा तक लोगों को बेहतर और सज्जन बनाने का कार्य करती है। विद्या एक ऐसा धन है जिसे ना तो कोई चुरा सकता है और नाही कोई छीन सकता। यह एक मात्र ऐसा धन है जो बाँटने पर कम नहीं होता, बल्कि की इसके विपरीत बढ़ता ही जाता है। हमने देखा होगा कि हमारे समाज में जो शिक्षित व्यक्ति होते हैं उनका एक अलग ही मान सम्मान होता है और लोग उन्हें हमारे समाज में इज्जत भी देते हैं। इसलिए हर व्यक्ति चाहता है कि वह एक साक्षर हो प्रशिक्षित हो इसीलिए आज के समय में हमारे जीवन में पढ़ाई का बहुत अधिक महत्व हो गया है। इसीलिए आपको यह याद रखना है कि शिक्षा हमारे लिए बहुत जरूरी है इसकी वजह से हमें हमारे समाज में सम्मान मिलता है जिससे हम समाज में सर उठा कर जी सकते हैं।

यह लोगों की सोच को सकारात्मक विचार लाकर बदलती है और नकारात्मक विचारों को हटाती है। बचपन में ही हमारे माता-पिता हमारे मस्तिष्क को शिक्षा की ओर ले जाने में बहुत महत्वपूर्ण भूमिका निभाते हैं। वे प्रसिद्ध शैक्षणिक संस्था में हमारा दाखिला कराकर हमें अच्छी शिक्षा प्रदान करने का हरसंभव प्रयास करते हैं। यह हमें तकनीकी और उच्च कौशल वाले ज्ञान के साथ ही पूरे संसार में हमारे विचारों को विकसित करने की क्षमता प्रदान करती है। अपने कौशल और ज्ञान को बढ़ाने का सबसे अच्छे तरीके अखबारों को पढ़ना, टीवी पर ज्ञानवर्धक कार्यक्रमों को देखना, अच्छे लेखकों की किताबें पढ़ना आदि हैं। शिक्षा हमें अधिक सभ्य और बेहतर शिक्षित बनाती है। यह समाज में बेहतर पद और नौकरी में कल्पना की गए पद को प्राप्त करने में हमारी मदद करती है। हमें जीवन में एक अच्छा चिकित्सक, अभियंता (इंजीनियर), पायलट, शिक्षक आदि, जो भी हम बनना चाहते हैं वो बनने के योग्य बनाती है। नियमित और उचित शिक्षा हमें जीवन में लक्ष्य को बनाने के द्वारा सफलता की ओर ले जाती है। पहले के समय की शिक्षा प्रणाली आज के अपेक्षा काफी कठिन थी। सभी जातियाँ अपनी इच्छा के अनुसार शिक्षा प्राप्त नहीं कर सकती थी। अधिक शुल्क होने के कारण प्रतिष्ठित कालेज में प्रवेश लेना भी काफी मुश्किल था। लेकिन अब, दूरस्थ शिक्षा के माध्यम से शिक्षा प्राप्त करके आगे बढ़ना बहुत ही आसान और सरल बन गया है। शिक्षा लोगों के मस्तिष्क को बड़े स्तर पर विकसित करने का कार्य करती है तथा इसके साथ ही यह समाज में लोगों के बीच के सभी भेदभावों को हटाने में भी सहायता करती है। यह हमें अच्छा अध्ययन कर्ता बनने में मदद करती है और जीवन के हर पहलू को समझने के लिए सूझ-बूझ को विकसित करती है। यह सभी मानव अधिकारों, सामाजिक अधिकारों, देश के प्रति कर्तव्यों और दायित्वों को समझने में हमारी सहायता करती है।
