A report on - "A two day programme on overview of Indian Securities Market."

A study tour to National Institute of Securities Market, Patalganga, Khopoli was organised on September 06 and 07, 2019. A total of 31 students and 3 faculty from our college participated. The participants assembled on the college campus at 6:30 am to start for NISM and reached the spot at 9. Registration, allotment of rooms to the students and breakfast were followed by the inaugural session by Mr Vishal Shukla who spoke about the regulations of the capital market. Before getting into the regulations he introduced our students to the structure of the capital market and its participants. The session ended with questions and answers and was followed by a tea break.

He was followed by a young securities market professional Mr Ritesh Nandwani, faculty NISM, who impressed all the students by his clear ideas and way of presenting the topic. He spoke on the primary issues market in the capital market. His discussion ranged from how to float a company to how to have this company established after having raised finances from the capital market. His session was followed by a lunch break.

In the post lunch session Deep Mani Shah successfully introduced the students to the basics of the secondary markets. His explanation was very lucid and students could get what he spoke. His session was an actual conclusion of introduction to the entire capital market. The primary and secondary markets of this market were discussed in detail and even the regulations that govern this market were put forth. Now was the time to discuss if the investments were to be direct or indirect and hence the last session of the day was the discussion over Mutual Funds which are an indirect source of entering the capital market. Mr Sahil Malik General Manager, SEBI addressed the students and made them understand what a good investment meant. This was the last session of the day.

After a day-long academic refreshment the students went to their respective rooms in NISM hostel that contained all the amenities the students would not have imagined. They were extremely happy with the stay and food arrangements.

Having understood the market the students, next day, were to get ready for simulation - trading in equities. Before this the students were told about various employment opportunities in the field of capital market. Mr Meraj Inamdar briefed the students over the history of capital market in India before taking them through how to trade. Students were taken to the computer laboratory and were assigned a sum of Rs ten lakh each and were asked to trade online. Students were to compete within themselves. A student who registered the highest return on investment was going to be declared a winner. A student from First Year B.Com Ms Swathi Nair was declared the winner. Certificates to the students and faculty were distributed.

After four hours of simulation in the laboratory students finally went back to their rooms. The two day programme ended at 5 pm with the distribution of certificates.

Dear Meraj

I took a day to talk to the students about their reactions to the sessions they heard. The feedback is

- 1) Food - best
- 2) Hospitality - Can not be better than this
- 3) Campus - awesome
- 4) People at NISM - Extremely cooperative and good natured
- 5) Faculty - The students were confused and asked me if the students were qualified enough to rate such experts. All the following faculty members were rated to be excellent for their presentation and knowledge depth. they were able to connect with the students.
  - a) Mr Vishal Shukla -
  - b) Mr Ritesh Nandwani -
  - c) Mr Deep Mani Shah
  - d) Mr Sahil Malik
  - e) Mr Meraj Inamdar

Meraj, we must continue this association in the days to come. Let me associate some more colleges as well with this programme.
