### About the Book

This book of "Management of Corporate Social Responsibility" provides an overview of the fundamental aspects related to CSR and role of various stakeholders in CRS activities. In this book, every effort has been made to make the text easy to understand while keeping the material according to syllabus. Examples, figures and tables have been used in the book to make students understand the text easily and effectively. Exercises and model paper are also provided in this book which will help students to prepare for the examination. This book is useful not only for students who are pursuing their studies but also for those working in the educational institutions and corporate world.
