## Website Development Proposal

To

**MANGHANMAL UDHARAM COLLEGE OF COMMERCE**

Pimpri, Pune-411017

Submitted by

**White Code Technology Solutions Pvt. Ltd.**

Navale Icon, 3<sup>rd</sup> floor, Navale Bridge, Besides Navale IT Park, Narhe, Pune - 411041

Title: Website Development Proposal

Period of Performance: Jan 2020-Feb 2020

Date Submitted: 25 Jan 2020

Proposal No: 2588

---

Founded in 2010 by highly experienced and expert IT software professionals, vowed to offer the world-class platform for different technologies software solutions to global business leaders and facilitators.

WhiteCode is a pioneer Information Technology agency serving dedicatedly to full fill needs of clients with respect to software entails. For a decade we have successfully achieved to be one of the strong support in grooming the education sector. Being a technology partner for various educational organizations we have boosted uniqueness bridging various gaps in the educational process.

We are proud to be a **Technology Partner of IQAC cluster India.**

WhiteCode Technology Solutions offers a range of expertise aimed at helping customers re-engineer and re-invent their presence to compete successfully in an ever-changing market and hold their image as an educational leader.

## **PRODUCTS AND SERVICES OFFERED**

---

Studying your expectations to give bespoke work

Being a strong player in the education domain in terms of Analysis and Technology implementation, We provide the following professional products and services.

- > QAQS Consulting and implementation
- > SSR Consulting
- > Gestalt Online Test
- > Mobile Library
- > Broadcast Application
- > Quality Analysts
- > Application Support and Maintenance

## DEVELOPMENT PLAN

---

WhiteCode is pleased to provide the following online admission proposal. The intent of the proposal is to deliver a web solution.

### Phase 1 - Orientation and development of the strategic concept

- Confirm and refine objectives with the client.
- Confirm and refine the target audience with college staff.
- Establish preliminary site and page hierarchy.
- Analysis of existing college website

### Phase 2 - Concept approval and initial development

- Client to select a concept for refinement.
- Incorporation of feedback and revisions.
- Create site breakdown—site map, layout, style sheets, navigation.

### Phase 3 - Revisions, final development and programming

- Incorporate artwork feedback and revisions.
- Program Website as per the selected package.
- Review site in light of programming expectations and limitations.

### Phase 4 - Final review & deployment

- Revise work as necessary.
- Installation and testing.
- Go live (date to be determined).

## Application Features

#	Functionality	User
1	Start online admission - set start and end date.	Admin
2	Student application to select the course and OTP verification.	Student
3	Pay the form fees using a payment gateway.	Student
4	Fill the application form and submit.	Student
5	List of all applicants.	Admin
6	Filter options for the list for E.g. Previous institute, Percentage, etc.	Admin
7	Option to download the filtered data.	Admin
8	Mark a student profile as selected.	Admin
9	Assign role number to the particular student.	Admin
10	Print application form.	Admin
11	Notify the student about his/her selection using Email & SMS.	Admin
12	Students can log in and upload the required documents for final verification.	Student
13	Students can pay college fees online.	Student
14	Update student info.	Admin
15	View the list of fee status. Paid and pending fees.	Admin
16	Modify student record with cash payment.	Admin

Note: We have assumed a website user volume of around 2000 students within a time span of 3 months.

### Cost Estimate

INR 42,300

An additional 18% GST will be applicable to the final cost.

### Company Bank Details

Ac Name: White Code Technology Solutions Pvt Ltd

Ac no.: 180205001545

IFSC: ICIC0001802

Account Type: Current Account

Branch: Sinhgad Road Branch, Pune

### Payment Terms

50 % advance to be paid in favor of White Code Technology Solutions Pvt. Ltd. payable at PUNE.

50% Before going live.

### Maintenance

WhiteCode provides 30 days of testing period and twelve months of maintenance after the web application launch.

During this period, WhiteCode will provide support for 40 hrs. If consumed earlier, the same can be renewed at the rate of INR 650/hr.

## Communication Details

(For technical support, data sharing, queries during and after web application development.)

### Terms, Estimate Options, and Additions

---

- Neft/Cheque to be paid in favor of **White Code technology solutions Pvt Ltd** payable at PUNE.
- The amount once paid is non-refundable. This proposal is only valid for 30 days from the date of submission.
- Any purchase of third party services such as Bulk SMS, SSL certificate, website template/theme, Payment gateway setup fee, etc. is not included in this proposal and will be charged as per Customer's service selection.
- The extra page will cost INR 1000/page.
- We will try to maintain the existing look and feel to integrate and build CMS as per guidelines.
- The costs and expenses cited in this proposal are our best estimates given the information provided. They include meetings, consultation, design, programming, and production time, and a reasonable amount of revisions. If additional information is forthcoming, project specifications change, or the scheduling changes, cost and expense estimates may also change.
- The effect of major changes, additional services, and delays cannot be determined until a final design direction has been established. If requirements arise for additional work or scheduling changes not reflected in this estimate, we will provide an updated estimate when the final design direction has been approved.
- WhiteCode will make every effort to complete the project/changes in the given timeframe. Reasonable delays are accepted if functionalities are redefined or modified
- Any bugs (programming errors) reported during or just after the development does not attract additional charges.
- Any re-work on an already completed task will attract additional charges. Any changes in the design after the design approval will incur additional charges.
- Any modifications requested during the development or after the Go-Live approval will incur additional charges. All additional work, over and above the estimates are charged separately. Under no circumstances will WhiteCode be liable for any delays caused by changes in the project brief.

within the first two weeks of starting the project. Any delays thereafter may delay the project and may incur additional charges if it goes beyond a reasonable timeframe.

- Our websites/applications are generally tested on PCs and included near recent versions of the following browsers: Chrome, Firefox & Safari. If you require testing to be done on any other browser, please let us know in advance.
- All communications/correspondences are generally done via emails. It is the client's responsibility to keep us updated with their relevant email addresses

## AGREEMENT

---

This Agreement shall be effective as of the time frame set forth on the Order Form. This Agreement may be terminated by either party upon written notice to the other, if the other party breaches any material obligation provided hereunder and the breaching party fails to cure such breach within thirty (30) days of receipt of the notice.
