One Day Workshop on Budget 2020 jointly organized by MU College of Commerce and CMRS and Associates LLP

Co-ordinators of MUCC : Dr. Rekha Chetwani, Prof. Azhar Khan and Prof. Sonam Poptani
Co-ordinators from CMRS & LLP : CA Rishi Lodha and CA Pankaj Agarwal

This year for the first time Manghanmal Udham College of Commerce collaborated with CMRS & Associates LLP to host a panel discussion on Budget 2020-21. The activity was conducted on 4th Feb., 2020 .

The panelists included CA Chandrakant G Doshi with over 45 years of work experience and he was also the former chairman of ICAI WIRC. Mr Naresh Kumar Sharma who is a retired Chief Commissioner of Income Tax. CA Ravi Somani, a specialist in GST, Customs and Foreign Trade policy who contributes regularly to articles published by prestigious organisations like Institute of Chartered Accountants of India (ICAI), the Maratha Chamber of Commerce, Industries and Agriculture (MCCIA) and GST Law Times. Dr Ajit Gaikwad a faculty member in the Economics and Banking Department of M U College of Commerce, Pimpri with over 20 years of work experience in teaching.

CA Chandrakant Doshi in his keynote address outlined how the budget will promote long term growth, help create jobs and foster innovation in the economy. He stressed how the budget will have a positive impact on our economy especially in the years to come.

Mr. Naresh Kumar Sharma the retired chief commissioner of Income Tax and expert in direct taxes said that this budget has three messages: a) we are moving to a new regime of income taxation b) Enhance the scope of taxation for NRIs c) increase the role of digital payments

CA Ravi Somani, an expert in GST was of the opinion that there are no significant changes in the rates of GST, however he cautioned that the new invoice matching will bring dynamic changes. The new system will increase the tax compliance and provides for strict punishment for fake billing. The changes could be harsh on the corporates if not properly executed.

CA Deepak Singh addressed the issues finance risk and return. He is specialized in banking and finance.

Dr. Ajit Gaikwad, economics expert assessed the budget from a macroeconomic perspective. He highlighted the revenue shortfall and the constraints that finance minister faces in making a budget in times of serious economic slowdown.

CA Rishi Lodha anchored the panel discussion and there was a wide-ranging discussion on technical topics like credit matching, paperless work, and tax proposals for auto sector, real estate, affordable housing, and changes in the dividend distribution tax, the new option for individual tax payers to opt for different income tax systems. The challenges in implementing new schemes like Vivad Se Vishwas Tak and Niryat Runa Vikaas Yojana were discussed.
