Rules – Regulations and General Guidelines

Dear Participants,

We thank you for your interest in the quiz and we would be eager to welcome you to our college on August 29, 2026. Let us introduce you to the set of rules and regulations that would govern this quiz. Please read these rules carefully.

Ensure that you are there on the college campus at 9.30 a.m. sharp for registration. The quiz would begin at 11.00 a.m. after registration and breakfast.

Venue: M.U. College of Commerce, Pimpri, Pune.

Landmark: Jai Hind School Campus (Entrance Gate number - 05)

The Quiz Rounds

The Quiz would be conducted in 3 Rounds:

a. **Elementary**
b. **Intermediate and**
c. **Final**

- **Elementary round would start at 10.30 a.m. sharp and would end at 11.30 a.m. The scores of the same would be declared at 11.45 a.m.**
- **The intermediate round would be of 45 minutes and would begin at 12.00 noon. The result of the intermediate round would be declared at 1 p.m. and 6 teams will be promoted to the final round.**
- **The final round of the quiz would begin at 2.15 p.m. and would continue approximately for 1 hour and 30 minutes.**
- **Prize and participation certificate distribution would be held immediately after the quiz.**

The Elementary Round

a) **It would be in a written form with Multiple Choice Questions.**
b) **Syllabus for the same is already given in the quiz poster.**
c) **The quiz paper would be answered by both the participants together.**
d) **This quiz paper would have 50 multiple choice questions carrying equal marks. There would be *no negative marking*.**
e) **Students are required to read the instructions given on the question paper carefully.**

Intermediate round

a) **All teams would be promoted to the intermediate round irrespective of their score in the elementary round. Participating teams may choose to exit though.**
b) **The intermediate round shall consist of 40 questions on the same syllabus, only the rigour and the difficulty level would increase.**
c) **Marks assigned to this paper would be equal to the number of questions. There would be no negative marking.**
d) **All the other rules that are applicable to the elementary round are applicable to the intermediate round.**
e) **Based on the sum of the scores in the elementary and the intermediate round a total of six best performing teams would be promoted to the final round.**
f) **In case of equality of cut off marks, in selecting final 6 teams, an additional set of 10 MCQs would be given to the teams that are tied at the same cut off marks and based on those marks qualifying six finalists would be ascertained.**
g) **The top six teams would consist of at least two Undergraduate teams and a maximum of four post graduate teams.**

Final Round

- **Final round shall contain non-multiple choice questions.**

- **The final round shall consist of the following:**

  a) **Round on Micro and Macro Economics**
  b) **Round on Indian Economy**
  c) **Round on Indian Banking and Financial System**
  d) **Round on Indian and International Business**
  e) **Rapid Questions Round**

Questions and Scheme of Marking: (Final Round)

- **There would be 3 questions in each round, except the Rapid Questions Round, and each question therein would carry 5 marks.**

- **There would be a time limit of 25 seconds for answering a question and 10 seconds for a passed question, for the first four rounds.**

- **Rapid Questions round would consist of rapid questioning for one minute and each question would carry 5 marks. Passing of questions in this round is not allowed.**

Passing of Questions:

- **Questions can be passed from one team to another in the first four rounds. As mentioned earlier, this would not be possible in the Rapid Questions Round.**
- **Each passed question answered right would carry 3 marks.**
- **Passing of the question would be as per the sequence of questions asked.**
- **The direction of questioning would change with the third round. If it was clockwise for the earlier two rounds it would become anti-clockwise from the third round.**

Final Round: Negative Marking Scheme

- **Any question answered wrong would carry 3 negative marks and when the same question is passed to the next team and if it is answered wrong, would carry 2 negative marks.**
- **In rapid questions round each question answered wrong would carry 4 negative marks.**

General Guidelines

- **Setting questions on the given syllabus is the sole prerogative of the Quiz Organizing Committee and it is not mandatory on the Quiz Organising Committee to give equal weightage to the contents in the syllabus while quizzing the participants in the elementary and intermediate rounds.**

- **In the final round the participating teams would have the liberty to select for their team an undisclosed set of questions already bundled. Questions to that team would be asked from that bundle only.**

- **The priority to select the set of questions would be on the basis of the sum of the scores of the qualifying teams in the elementary and intermediate rounds.**

- **The M.U. College team would participate in the competition but would not be entitled to any prize.**

- **The prizes would be distributed at the end of the quiz and would be paid in cash.**

- **Decisions of the Quiz Organizing Committee and the quiz master and in any other case of the Quiz Organizing Committee in consultation with the quiz master would be final and would be binding on each team.**

- **No student would be permitted to participate in the quiz without a valid identity card or fees paid receipt for the current academic year or bonafide certificate issued by the college duly signed only by the Principal.**

- ***The host institution shall not pay any travel allowance to the participants and participation will be at their own risk.***

- **The college would provide the participants with breakfast and tea between 9.30 and 10.25 a.m.**
